

Breakfast adds

There are two sausages and one egg for each child. Draw lines linking each sausage and egg to the child that has the correct answer on their plate.

One has been done for you.

Twelve/s

Each sum has a letter above it. In the empty squares, write all the letters that appear above sums that make 12.

If you do it correctly you will discover the name of a fruit.

o	t	r	a	b	n	g	p	e
$6+6$	$3+4$	6×2	3×4	$10-7$	$8+4$	$7+5$	$10+10$	$9+3$

The first letter has been put in for you.
